

SKG book launch

Now that a digital guerilla war is unfolding on the internet, it's also time to look back to the history of what is 'guerilla' from an art-perspective, in the streets of Amsterdam during the eighties...

a portrait of Amsterdam around 1980
by the actions of the Stad Kunst Guerrilla (SKG),
with amongst others:
Erik Hobijn, Peter Giele, Dr. Rat and Jos Alderse Baas.

20 december 2010, exactly 30 years after the legendary
'Terror-congress' in Paradiso.

Hereby we invite you for the launch. Entrance is free,
if you send an e-mail to: m.haas5@chello.nl
You can buy the book signed by the author and the SKG
at the launch for 10 euro.
